Saturday morning.

Dear Wannie -

WE - are out in
the desert not far
from Window where
we'll have breakfast
yesterday along between
Barstow and Needles.
it was good and hot
and I felt a lot
better. There has
been hardly any dust
so we keep our window
open all day and I
breathe good dry air.
Saw snow on the
San Francisco peaks
this morning. My fellow
passengers spend most of their
time yawning about the
best sport thing! I'll never
see a "Reaper". Love to all. W.M.
