My dear Friend Miss

The terrible Calamity
that has befallen California
increases rather than diminishes
in horror

I am that your neighborhood
has not been disturbed

I am very anxious about
you and your family
as well as other dear
friends in various parts
of California, very many
in San Francisco.

It is my earnest wish
and prayer that
you and your family
may be safe-guarded through
the present danger by the
same Wise Providence that
has watched over you in
the past your old friend
