Dear Mr. Muir

I duly received your letter of 19th Feb. from Adamana & was sorry to hear about Helen but hope she is keeping much better now & gaining strength - I hope your other daughter Wanda who lives much in San Francisco was not there during these frightful days of earthquake & fire & shall be glad to hear she is safe - also that your property and relations in your Valley near Martiney are all safe - a post-card or receipt of this will do. I am not very well at present which accounts for this scrawl but cannot resist writing to you by today's mail So please excuse more at present
Yours sincerely

James Murdoch

P.S. I send with this a Newspaper with an account by Hall Cairne of the recent eruption of Vesuvius.
