Martinez, May 20/06

Dear Gilder:

We were hurt but little by the earthquake--chimnies shaken down etc--
& my studies of the wonderful of coal period forests of Sigellaria,
Lepidodendron, Lepidophloms, Dadoxylon Tree ferns etc, have not been
interrupted in the least

My daughter Helen is much better & we hope to bring her back soon to
the California home ranch. With sincere thanks for your kind letter &
wishing Mr Johnson's management of Vesuvius may be satisfactory I am
faithfully yours

John Muir
