My dear Sir:-

Referring to our communication to you under date of October 31, 1906, and your favored reply dated November 7th, relative to joining Professor Davidson on a trip from Seattle to Southeastern Alaska and return sailing from Seattle June 14th:

We sincerely hope that your daughter's health is entirely amended and that her condition does not at this time stand as a hindrance toward asserting your intention of making the trip. We are anxious to know definitely in the matter so that we may inform Professor Davidson.

A line from you at your convenience will be appreciated by

Yours very truly,
