My Dear Mr. Muir:-

Your letter, sketch of your life, and book - "Mountains of California" were received yesterday - It was certainly a very pleasant surprise and gave me much pleasure - I thank you very much for your very kind letter, sketch and book - which I will all read as soon as time will permit, and know I will enjoy it much - You certainly knew great many of my Father's friends - he carried on a correspondence with all the botanists you mentioned - and we have their letters now - I too regret that you and my Father never met - I feel sure he would have enjoyed knowing you - Perhaps sometime you will come this way again - then you must call and make his daughter a visit - Thanking you again for your much appreciated letter - sketch of life and book I am most

Sincerely Yours
