San Francisco
July 26, 1907.

My dear Muir -

When the proper time comes I'll
look into the matter very carefully.
I know nothing about it now
except in a very general way. Un-
-doubtedly there will, at some
time or another, be several
alternative schemes of water
supply submitted to the voters.
As matters now stand I am
only here till the first of
the year, and nothing can
be done by that time.

Faithfully yours

Edward Taylor

I have been trying to do some-
thing with Seely Garfield of
Yosemite.
