LONG'S PEAK INN

ESTES PARK, COLO. .... July 30 ..... 1907.

Mr. John Muir,  
Martinez, Cal.

My dear Mr: Muir:-

I hope this will find you well, and I trust enjoying life. More than two years have elapsed since I have had a letter from you, and in these two years I have been busy and have made about five hundred addresses concerning trees and forestry. I visited about twenty-seven states in the Union last year, and this year I am planning to travel and talk for nine months, and in the course of these arrangements I hope to get to California. If I do, may I call on you? I hope to see California the last few days of October of this year.

With kindest wishes,

Sincerely,

*Enos A. Mills*
