Mr John Muir.

Dear friend,

Previous to the great
fire in San-Francisco, April 18th
1906. I had collected a large
Album full of the Press notices,
pictures and writings^{&c} concerning
yourself and Mr Keith, from the
very beginning of your careers in
America, down to that-time.

Mr Keith had loaned it from
his Studio, to Mrs Anna Pratt
Simpson, and it was his impression,
that she had returned it; if so,
it was probably then destroyed.
Since then, I have made another

large collection in another Album.
which I shall take pleasure in
showing to you when we meet
again.

When you called on your way
home last week, I was seized
with a desire to write my impression
of your "all too short" a visit. I
enclose it-here-with. I hope you
or your daughter (Miss Helen) will
honor it ^{with} a place in your album.
Prof Howison was calling here
the day after you arrived, and
he pronounced it "capital" which
encouraged me to have it printed
and send to you one of my fine
copies. With best wishes for your long
life and continued usefulness,

I am, very sincerely
E. S. Metcalfe M^c-Henry
