LELAND STANFORD JUNIOR UNIVERSITY

OFFICE OF THE PRESIDENT

Stanford University, Cal.,

August 12, 1907.

Mr. John Muir,  
Martinez, Cal.

Dear Mr. Muir:

I find your kind letter on my return from my long and interesting trip. I saw nothing in the way of ferns and trees as charming as the Black Spur and I thought that you might be glad to hear from two of your widely separated friends who happened for the moment to be together. I feel very guilty at having been neighbors so long: I have never set foot in your house and so far as I remember you have never been to mine. When are you coming to Palo Alto? I am just now leaving for Boston, but will be back about the 1st of September, after which time I hope you will visit us for a day or two at least. Meanwhile, the first time I think I can, I shall stop at Martinez.

Very truly yours,

*David Starr Jordan*
