Mr John Muir =

Martinez Calif.

My dear Sir:

My visit to Yosemite some <sup>20</sup> years ago while living in Calif. and only only introductory acquaintance with you. was a never to be forgotten incident in my life, making me one of your many sincere admirers.

I met your daughter last summer at Adamana Arizona, I very much desired to see you. and deeply regretted the circumstances which prevented it.

I would like very much to get your reports on the Petrified forests of Arizona if you have as yet written one. Also if I am not imposing would like an autograph copy of each of your books. I have ~~a~~ copies of them and can get them here of course

but would like an autographic copy from you.

My visit last summer to the Japanese and the old haunts increased, if possible my regard for you, the love for your books and the plans and conditions they so faithfully describe.

You will not remember me of course but never mind I remember you. If the enclosed

check will not cover expenses ~~will not cover~~

~~expenses~~. Kindly let me know and I will forward the balance.

Yours very truly,  
E. M. Stanton.
