Dear Mr Marshall.

I Thank you very much
for your truly good & kind
invitation to Sacramento
of course I could not go
grudless in that irrigation
chaparral, but I thought
I might find some help in
the effort the Sierra Club is
making to save Hatch Helchy
from being dammed for
a reservoir, tho a water
congress is not a likely place
for such help, & by the time your
letter came I could not go.

Remember me warmly
to Mrs Marshall & her sister
& your charming children
especially the youngest
& believe me with pleasant
memories ever faithfully Yours
John Muir
