Dear Mr Keeler:

I heartily Thank You
for your Capital Hetch Hetchy
letter to the President, & so
would every lover of pure
wildness who could see it.
It is just what is wanted to
assure the President that all
decent Californians & nature-
lovers everywhere who have
seen our glorious Yosemite
Park or have knowledge of it
wish to have it preserved
forever. Try to get others to
write, A lot of personal letters
showing awakening public opinion
will gain us the victory over all
the money changers & water changers.
I hope you can get Pres. Wheelers help.
With love to your darlings I am ever
faithfully Yours John Muir
