HOUSE OF REPRESENTATIVES U. S.,

Preston, Iowa,

Oct. 31, 1907.

Hon. C. A. Ficke,
Davenport, Iowa.

My dear Sir:-

I have your favor of 25th, the same having been forwarded here from Washington, and I note fully what you say. I will promptly file a protest with Secretary Garfield, and back it up with a strong letter. A year or two ago I had a long talk with Mr. Calkins (whom I know well) regarding conditions in the Yosemite and Yellowstone, and I found that he had possessed broad and patriotic views regarding these public parks. I am certain from the conversation I had with him at that time that his protest is founded on the broad ground of the general public interest, and I shall endeavor to emphasize this in my letter to Secretary Garfield.

Thanking you for bring the matter to my attention, and with high regard, believe me,

Very truly yours,

A. F. Dawson.
