My dear Mr Keeler

I'm very sorry you had to suffer so much acute pain amid your many cares of every sort. Sincerely sympathizing with you I fondly hope good health will soon be yours once more.

Poor Helen is far from well. She was in bed three weeks with pneumonia pleurisy etc, developed from one of those miserable influenza colds. Whether I'll have to take her to the dry deserts again a few winter weeks will tell.

I'm glad to learn the Postumarian Club is to go down Thanksgiving, would like to help anyway though

Bostonian Club is to do something for the poor & the
all like to help anyway though unable to be present

cases of fevry sort. Sincerely
sympathizing with you I fondly
hope good health will soon
be yours once more.

It never occurred to me that a
Berkeley Improvement Club would
want only one side of a great question
when I proposed your taking part on the
Hetch Hetchy water scheme for the sake
of beauty preservation. But perhaps they
are mostly real estate agents. Anyhow you
can do much outside of such a club & will win
I think. With love to your darlings I am ever
Faithfully yours John Muir.
