Dear Mr Calkins:

I am very glad to find you in another fine letter & letters for you seemed lost to me for weeks past, nothing more natural however than making a new home may you be happy in it as you will deserve. I sent the Lukens H. H. photographs direct to the President. Encouraging reports are coming from various sources many of them caused by your own efforts far reaching. & many from our circular letters. One member in Sacramento wrote the President & Secretary got 27 of his friends to write! Here are samples, which please return & a few of the H. H. leaflets. Helen is getting a little better. At least I am trying to think so. We often recalled your pleasant visit & hoped you might come to live with us & indeed still hope you may after your winter in Los Angeles. Stickum I have not touched, & Kings & Kern Valley are calling with H. H. If only Helen were well I might work. With kindest regards to Mrs Calkins & warm thanks for letters, I am
Yours truly
John Miller
