My Dear Mr Muir

I am sure you how much I regret to know that Helen has had a set-back. I had not know it before, and my wife and I join me in the hope that she may speedily recover.

I believe I know just the place for you to take her. My friend and one of your great admirers, Theodore S. Vandyke has a Ranch home on the Mojave Desert at Dagget just East of Barst. he has beautiful alfalfa fields, lots of Milk, Eggs &c and I believe would take you in in some way. Mr Vandyke is an artist, and a writer, only this, he is a great hunter, and believes in it, but he is not a pot hunter.

The surroundings are grand
from the best point of view, wonderfully
Colored Mountains, he owns about
all of the Mojave River at this point
and is using it to good advantage.

I will write him by this mail
and say you will write him

I am very sure you can
make satisfactory arrangements

I have dissolved partnership
with Mr Gant, and am doing
business on my own account
with my office at home
