Dear Helen: How how have you & family got through this cold wet, guppy weather?

We are well & glad of the blessed rain. The mud was frozen hard this morning. Hope no further damage is done to the orange groves.

Mr Morgan was here this morning about a sewer on the Fraser tract. He said all had signed petition except you & one other who was absent but sent word he was in favor of the work & would sign when he returned. Did you receive the paper Mr Morgan sent? I don't know any reason why you shouldnt sign.

Write quick Darling & tell you are well.
Your devoted father
John Muir
