ENOS A. MILLS  
LONGS PEAK, ESTES PARK  
COLORADO

Jan. 31, 1913

My Dear Mr. Muir.

Marshall, Chief Geographer, has just strongly recommended  
716 square miles for our

Rocky Mountain National Park.

I am grateful to you for writing your biography.  
It is most encouraging and will help thousands of us fellows to keep up the fight for the great world out doors.  
You have helped me more than all others; but for you I might never have done anything for scenery.

Hope this finds your health good.

with best of wishes,

*Enos A. Mills*
