Dear Mr Muir:

I have just proposed Dr. Charles F. Holder for membership in the National Institute of Arts and Letters, his work in ichthyology and the charm with which he has written of out-door life, qualify him. And we want more members from the Pacific Coast.

The by-laws require three proposers. I believe you know Mr Holder and I hope you will be willing to be one of his proposers. If so will you write to Mr Henry D. Sedgwick % Robert U. Johnson, The Century Magazine? At the

meeting in Chicago in November, it
will be good to have more men
from West of the Mississippi,
and I hope you will be one
of them.

I wish I could see
you while you are in Califor-
nia, but they keep me
very busy among the foot-hills.
"My heart's in the highlands".

Sincerely

Henry van Dyke
