Dear Johnson

I hope to get more Californian help soon. Have just discovered that both Col + P have carefully concealed all our circulars from California not even sending copies to our Sierra Club members, fearing I suppose the S. F. press. + damage to their business + profession.

This is natural + perhaps reasonable enough, Mr C's employer is or has been the city's leading lawyer in H-H. affairs, + Mrs C. is Pres. of the Alameda Co Womens Club, + of course keeps quiet - some of our best Washington friends are kept mum for the sake of family official bread. of course I'll do what I can without ^{open} assistance of our club members who may be doubly on our side
Ever faithfully John Muir
