Mr. John Muir,  
Martinez, California,

Dear Sir:

In re Hetch Hetchy: I have written to our two N.Y. Senators, Root and O'Gorman, also to Senator Lippitt of R.I., a classmate of mine at Brown University, and to ~~the~~ President Wilson, expressing the hope that the measure passed by the House will not secure the approval of the Senate or the signature of the President.

With many others I am grateful for the enlightened and vigorous campaign you have waged for the preservation of this precious National asset.

With hopes for our ultimate success,

I am,

Faithfully yours,

Goldwin Smith Professor of Latin.
