Denver, Colorado. Oct. 11- 1913.

Dear President Eliot:- •

I have been asked to write you on the subject of the Hetch Hetchy bill. The subject is important and I have positive views upon it- which I think are worth your consideration.

I cannot set forth my views better than I have done in two personal letters to Senator Hollis, of New Hampshire, and I therefore enclose copies of those letters, together with his very satisfactory reply to the first, and ask that you will read them.

I think the bill ought not to pass; I am told that the chances that it will be defeated are desperately slim; and I urge your favorable consideration of Mr. Muir's request that you write to President Wilson and perhaps to the Senate leaders about the matter.

Faithfully yours,

(Sgd) Fredk Saw Olinsted
