Dear Mr. Muir
You were sadly missed
in Leland Park after you
left us last August. & after
since you have been in my
thought I have wished for
another of the quiet house
like those we passed together
when the great forests were
our distant neighbors & the
great meadows are fields.
Then today it has been

that I can appreciate. Betty is as busy
as a bee - keeping up the studio work - She
has written to you I know - She & Billie are
to have a home together this winter which
will be a great pleasure to them both -
Mrs Hamilton I have not seen since
she parted at Cedar Station on Sept 24th
she but kept back before sailing Sept
25th in New York for a few days -
Has there been any recent developments
in Betty-Betty matters? Sometime
reading here I thought matters looked
doubtful - but lately I have seen nothing
in our papers on the subject - I do
hope all your labors may be rewarded
& the beautiful rally saved from distraction
I don't know East White Lane and you - but
do come in the Spring Museum here
& show the flowers & trees are blooming -
Also say hello to your dear Mr. Hill
from your friend Blossom A. B. C.
