Society for the Preservation of National Parks,

Mr John Muir (nest)

I thank your

society for literature about Hetchy Bill &c

I have been in the valley and several other times in California.

I have written earnestly to President Wilson & to Senator Root, both of whom I know personally, urging

the preservation of Hetchy and have also urged many others to do the same.

This is a commercial age. The beautiful temples of Egypt and the East, the alpine glories of Switzerland, the falls of Niagara have all become the prey of the materialist & the merchant. (over)
