Dear Mama

I reached here safely
and have a very comfortable
room with Hazel Pickers
there are ten other new girls
I have lived through a Latin
and History recitation and
did not get-scared.

I am a senior so can enter
college as a regular in a
year. Miss Head would
not let me leave out
Algebra but there are two
other girls about my age
who are also beginning it
so there are only us three
in the class and I will

09180

have plenty of time to make
it all up in the year 20
it will not make me stay
here any longer.

I like the girls and teachers
very much.

Only had five minutes
for this. bell is ringing

With love

Wanda
