DEPARTMENT OF THE INTERIOR
UNITED STATES GEOLOGICAL SURVEY

WASHINGTON, D. C. February 17, 1900

Mr. John Muir,
Martinez, California,

My dear Muir:

I have your note of the 12th and am glad to hear that you are still alive. We have been looking for you all winter, but you have failed to put in an appearance. I hope you have not forgotten that you have a home here.

I shall follow up that pamphlet which I sent you with a volume of the report of which that is a separate very soon.

With kindest regards,

Sincerely yours,

Henry Gannett
