Dear Prophet:

Thank you for the letter. We'll take a club in that cause, also. Thank heaven for the good turn of things about the sequoias! I shall be glad to keep on the trail of these things, whenever I can see a chance to do any good; will be grateful at any time for expert suggestion. Incredible as it may seem, I don't know everything!

But I want to serve
this good country.

If I go north next
month to the Educational
Commission meeting, it must
be very hurriedly up &
back; & I fear Martinez
will be beyond me —
tho' I shall try. We hope
very earnestly that you'll
get down here — &
you know where to
camp! Browne, of the
Dial is here now, re-
newing my faith in Man.
He's a Sequoia, too!

Hastily but always

Sincerely yours

Chas. F. Sumner
