Martinez, Mar. 30, 1900.

My dear Charlie.

How busy you have been & how much you have accomplished. I'm very sorry to hear of your wife's illness & hope the spring weather will bring complete health. We have had grippe here & all the miserable stupidity that belongs to it. Have done very little work lately. I promised to sketch the ice for the H.A.E. but have not commenced yet.

Wanda I guess finds little time for anything outside her studies. She told us how much she enjoyed a visit at your charming house. Come up whenever you can.

Ever cordially yours  
John Muir
