Martinez, June 19, 1900

My dear Dr. Merriam

I sent the ice M.S. direct to Doubleday Page & Co. a week ago thinking you might be in the field. I also wrote you at the same time. Doubtless you have received my letter ere this and perhaps proof of the M.S. from the publishers.

The article is general and therefore any of the glaciers will answer as illustrations, the more the better. Harriman ^{Floyd} ~~and~~ should be fully represented.

Since forwarding your article I have sent off another on Yosemite Valley for the Encyclopedia Britannica Supplement. Now I'm pegging away again on the Parks. Have got rid of Grippe, but need the wilderness. Come and see me when this side the country. Remember me to your father.

Ever yours

JOHN MUIR
