My dear friend,

Janet sends by today's

mail a little piece of her own  
handiwork. She thought perhaps  
Mrs Muir would be pleased  
by her remembrance. She was  
very happy in the doing of it.

Physically, she is much better;  
but the voices those evil  
spirits, still annoy her &  
she cannot control herself  
but talks much of the time.

The rest of us are tolerably well,  
and hope that you & your family  
are in good health. I want to

ask you if you might chance to  
have a letter or two of Sister Kates.  
if you wd. be so kind as to let  
me have them. With love to Mrs  
Muir & the girls. & regretting to trouble  
you.

I am yours truly  
Feb. 13<sup>th</sup> 1901 Julia M. Moore

Think of Charles being 89 years old - this week! - Carl Merrill. 40!
