Pasadena,
March 8, 1901,

My dear Mr. Muir:

Words are inadequate to express the gratitude I feel for all you have done for me. When I think of your leaving your important work, and spending so much time and kindly thought upon my manuscripts, I feel the deepest gratitude. I wish there was something I could do to show my appreciation, but as things are now, you have everything to bestow, while I have nothing. Perhaps though, in the years to come, I may be given the pleasure of showing my great appreciation of your kindness. I should be proud to have you call me friend and shall try and make myself worthy of a place in your estimation.

Carr | Mrs. Carr is living with her brother, I believe in Santa Paula. Poor Ned Carr spends most of his time in the chain gang, or in begging and drinking.

I will always keep the manuscripts you corrected, and also your letter, so that I may refer to them for points. The Devil's Post Pile, I copied yesterday, and sent four copies away to newspapers - made my own syndicate - and hope some of them may prove acceptable. Will let you know the result. I have five other stories traveling about the East, some of which have been gone six weeks - so that I am beginning to hope.

Papa and mamma send kindest regards to you all. Hoping you are well, I am,

Gratefully and cordially,

Helen Lukens Jones
