UNITED STATES DEPARTMENT OF AGRICULTURE,  
BUREAU OF FORESTRY,  
WASHINGTON, D. C.

OFFICE OF THE FORESTER.

July 1, 1901.

Mr. John Muir,  
Martinez, Calif.

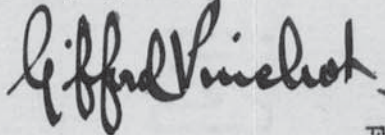

Dear Mr. Muir:

Your letter of June 24th came to cheer me up in the midst of the hot weather. I regret very much, with you, that you did not see Fisher, and especially on his account, for I should have been exceedingly glad if he could have had the benefit of your advice.

Many thanks for the name of Chas. H. Sawyer. While the arrangement by which I am to have charge of certain work in the reserves has not yet gone through, I hope it may before long, and when the time comes I shall be particularly glad to know the names of reliable men such as this one. If you know of any others, I hope you will let me have them.

With many thanks,

Very sincerely yours,

Forester.
