Co. & is now employed
by an Insurance Co. -
with a good deal of Open
air work. He is the Agent
at Waterloo in the neighbor-
hood of Liverpool. & comes
occasionally to spend the
week end with us.

When are you coming
to visit the Old County
again? to inspect the
glaciers, & tell us some
of your wonderful
stories. We would all
like you to come &
make this place your
head quarters for a while.

You see you are a born
traveller & I a stay-at-home

D. J. Howd showing your wife
& daughter work your when you
come.

And finally what of
 all what is to be done
 with those vagabond
 Anarchists! This clas-
 tardy assassination of
 your worthy President
 has stirred the heart of
 the whole British people.

Next to the death of
 our noble Queen, there
 is nothing that has so
 universally & so deeply
 touched us as this sad
 event. The penalty
 for assassination of this
 kind should be Solitary
 Confinement for life -

& a similar punishment
 should be meted out to
 all those who preach &
 teach & recommend it,
 They are ^{more} culpable
 than the half-witted
 crazy idiot who
 sometimes does the deed.

Now my dear Miss
 we all send our kindest
 regards, & let us know
 when your next visit
 to her is to come off

Your affectionate
 Cousin
