My dear Henry Randall.

Your good long letter
& the four photographs of your
family came safely & interested
me very much. I sent you
a magazine the other day with
pictures from photos of myself
& youngest daughter Helen &
our favorite Collie Stieken
I have not photos of my
other daughter Wanda who is
at the State University nor
of my wife but will try
to send them soon. You
may well be proud of your family
& comfortable independence, My
only regret is that I could not get
you aroused to study botany or geology
even a little of which would have enriched
your life. Sincerely Yours John Muir
