My dear Miss Delaney

Many Thanks for the big package of your Sierra photographs. They are all interesting to me & telling & artistic, fine studies for artists. The Hetch Hetchy picture is perfectly charming for the best I have ever seen from that valley. I mean to frame it & place it where it will be a perpetual feast.

We all remember your visit with great pleasure & hope to see ^{you} here again in long. Our friend Garret gave us a two days visit greatly enjoyed. With this goes my first little book. Ever faithfully yours
John Muir
