Keith - <sup>C47</sup> I hope you are going  
to continue too. Miss Greame  
does not sound natural from  
you.

Please give my kindest regards  
to Mrs. Muir and your Helen  
and believe me most.

Sincerely yours  
Helen Douglas Greame.

<sup>C13</sup> San Juan - Cal  
October 28, 1902.

My dear Mr. Muir -

"The mountains  
of California" reached me last  
night, and I am so happy  
and pleased to have it.

Thank you so much for send-  
ing it to me, and for remembering  
that I did not have it.

It will go on my book-case  
beside "Our National Parks"  
where I find reading it, and  
both books are the most precious  
ones I have.

I found your first letter  
waiting for me, when I reached  
home the day after seeing  
you, and I have been meaning  
to answer it - but our suitcases  
left us and I have been very  
busy doing house-work.

I do think it is so  
good of you to take such an  
interest in our next summer  
trip, and we will go to see you  
when we get back from the  
mountains next summer and  
be as unhurried as trees.

You may be very sure it was  
the greatest pleasure to Marian.

and to me to see you that rainy  
day, and we both regretted  
our engagements in Pau  
& cancelled them right.

I am much surprised to hear  
Mr. Gannett is going to  
Marian, and I hope he will  
enjoy the trip as much as My  
Aunt did - but she went  
for pleasure and he is going on  
what you rightly call that dismal  
automated census business.

Mr. Gannett and Dr. M...  
call me Helen as well as Mr.
