New York, Nov 7 1871

My Dear Sir:

I have delayed a decision concerning your articles on Yosemite because it was useless to attempt to do anything with them until after the election. I find now that we shall have to condense them sharply in order to make them available but in the condensed form they seem to me desirable. Unless I hear from you to the contrary we shall make that disposition of them, and pay of course for what we use.

Very truly yours,

Whitlaw Reid
