Oakland, Nov 30<sup>th</sup> 1872

Dear Kunkle, I have carried the little instrument  
You sent me into most of the canons & over  
most of the peaks adjacent to Yosemite, & it  
has worked admirably well.

I will return to Yosemite in a  
day or two.

I send you a small article on  
glaciers wh will interest you

I will write glaciers this winter

Ever cordially yours

John Muir
