Old Yosemite home
Nov 3^d 1875

Dear Mrs Carn.

I'm delighted in coming out-of the woods to learn that the doctor is elected to do the work he is so well fitted for.

I've had a glorious season of forest grace, notwithstanding the hundred canyons I've crossed, & the innumerable gorges, gulches, & avalanchal corrugations.

A day or two of resting & lingering in my dear old haunts - & then down, town, work.

I'm sorry about Keith's stocks, though of scarce any real consequence, they yet - serve to perturb & spoil his best-moods & work.

It seems a whole round season since I saw you but have I not seen the King Sequoia in forest-glory?
Love to all yours Oliver
