Dear Mr Muir -

Wife and I left home on 10th of Feb with Mr Mrs D.B. Robinson in his private car and after a trip together all over old Mexico and intervening countries for four weeks we arrived here - They have returned home & wanted us to return with them but we wanted to stay & get some of the sunshine of this coast besides we could not think of going home without seeing our dear friend Muir.

I met Lubins the other day he said he expected you here, that would be delightful but I fear it is too good news to be true so if you don't come here we will go to San Francisco in two or three weeks & see you for we cannot go home without it.

Keith.

We find the weather very cold (for
here) and scarcely any rain -
almost no flowers which is
a great disappointment to us -

Let us know if you are
really coming here for we
don't want to miss you -

My joins in kind regards to
you all -

Truly

Yours
Barrett I'm glad you're in Calif.

Can't you come up here in less than 2 or 3 weeks

I am hard at work trying to write about
the Sierra woods I should not leave
my desk tho I would care you not
coming here - Keith too will be delighted
he is doing some work tho
come as soon as you can

Remember me to Lukens should you
meet him again - I'm perfectly glad
what a fine wife you must have
had -
Ever yours

J. D.
