*of me to the happy in my joy*

*Dear Sir,*

**January the First**

*Wish:*                    **Wish:**

**wish for you a Happy New Year**

**And besides, I hope you may**

**Have many, many Friends to wish you**

**All I wish for you to-day.**

*Indeed we wish all the joy and happiness that you wish for all the year and much more to you the season being the best time to be in the city.*

*Can you not come down to Berkeley and spend just a few days between Christmas and New Year?*
