Mr. John Muir:

Thank you for your letter of Jan. 6. Adverse circumstances alone have prevented my becoming "a mountaineer" before this time. I shall write to the Sierra Club at once and hope to learn later that you have been persuaded to join in the next outing, for rumor has reported you so distinctly the soul of the party that no other name has been associated with it. You can appreciate how "impossible" the usual tourist party becomes when brought face to face with the elemental things of nature.

Sincerely yours

Josephine A. Chase
