Jan 20/10.

My dear Mr. Munir -
You will have
seen in the papers news
of the death of Mrs.
Graham in South Pasadena.
Whether you were south or
not, and may be there
a week or more - You
may not have heard
of the death of our
Aunt Maria Wolter
yesterday - of pneumonia -
this is also a sudden
blow to us - I am

04687

very glad she lived
long enough to have
the content of seeing
the book of her
brother's life completed
before the end came
for her too -

I looked hopefully
for you Tuesday - If
you drop down on
me, you will find
a welcome ready. This
you will miss my
mother's presence

and then while I am
so much away and
so busy studying in
the home hours -
are you being blown about
together by this old
storm we are getting?
With warm regards,
Marian Hooker.
