Martinez, Feb. 8, 1910

My dear Osborn

I'm delighted to get word of you after such a long blank palaeozoic silence- and to learn you are coming hither ere long, all of you I hope

Since a railroad was built to the western boundary of the park Yosemite is accessible all the year. Tho April and May are perhaps the best months. I'm glad you are in our Hetch Hetchy fight. " Christian up and smite them", is capital

Last week I was at the Los Angeles Saber-tooth Tiger beds, a wonderful lot of monuments that doubtless you will examine. Give my love to Mrs Osborn ^{and} the children, - The whole nestful I suppose full fledged and away.

My Wing on Wing memories are warmly cherished ^{and} grow brighter with the passing years. Pinchot seems to have lost his head in coal and timber conservation, ^{and} forgotten God and his handiwork. He has been our worst enemy in our park fight. With warm regards

Ever yours

John Muir
