Dear Mr. Murie

I am sending you
today the February Scribner,
in which you will be glad to
see my remarks on the
Hetch Hetchy Grab. I do
hope also that you will endorse
my reasoning in behalf of
"Mt. Tacoma." The word Rainier
has the same effect on me
as a red rag on a bull!
— I intend to take up the
Hetch-Hetchy matter soon again
in the Post.

Our California Trip seems
a pleasant dream now.
The Pacific Coast beats the
Atlantic "all hollow".

We are having the busiest
season in my experience. This
letter was to have been written
two weeks ago, but lectures &
magazine articles added to my
regular work have delayed it.

Hoping you are as well as
we are I am, with kind
greetings from my wife & myself
Yours cordially
Henry T. Finck
