February 19, 1910.

Dear Mr. Muir,

It is a great pleasure to us all to receive your letter of February 11th with its intimation that we may hope to see that journal of your first summer in the Sierra before long.

Several of us here have been a good deal interested in the Hetch-Hetchy matter, even to the point of letter-writing. You may be sure that we will keep at it.

very truly yours,

Yonis Merritt
