Martinez, Feb. 21, 1910

Dear Mr Mills:

I'm heartily with you

in your plan for a National  
Park in Colorado. Our great  
nation needs far more parks  
& I think you will succeed  
by keeping the public attention  
upon the region by descriptions  
in the press which you so well  
know how to write. I think  
both the President & Sec. Ballinger  
would be glad to recommend  
the establishment of a grand playground  
& recreation ground & refuge for  
wild life. I'm glad to congratulate  
on the success of your fine wild book  
& sincerely thank you for the dedication  
I read the copy you sent me through  
at a sitting & never dreamed  
I had failed to acknowledge it  
Go ahead & write another. I believe  
me ever faithfully  
John Muir

Will call attention of the Swinn Club to the program  
New Park Ark.
