Although technically under
the contract the balance of
\$812.19 is not due until July 1st,
we should of course be glad to an-
ticipate that payment in case it
would suit your convenience to
have all or part of the sum at an
earlier date.

Dear Mr. Muir,

We take pleasure in en-
closing herewith a copyright state-
ment showing the sales of your
books on our list for the six
months ending January 31st. We
hope the showing will be as pleas-
ing to you as it has been to us.
We shall be particularly glad if
we may have that journal of your
first summer in the Sierra for
next fall, for, needless to say,
nothing is so useful in promoting
the sustained life of an author's
books as a new volume by the same
hand.
