Hoping that we may  
sometime have the  
pleasure of a visit from  
you in our home, and  
thanking you in advance  
for the directions asked,  
I am,

Very sincerely your friend,  
Mary E. Newton.

June 4, 1910.

Omaha.

My dear Mr. Muir:

We expect to leave  
Omaha on the 16th inst.  
for New York by a round-  
about route, sailing July  
6 on the Campania for  
England. We want to  
visit Dunbar, Scotland,  
while over there, and  
wish you would write  
us just how we may

find your old home?  
 The memory of our  
 delightful visit with  
 you last summer  
 will give the place an  
 added meaning for us.  
 We wish that you were  
 going with us, that we  
 might see Scotland  
 through your all-observ-  
 ing Scotch eyes.

Mr. Newton plans to  
 return in September  
 and the children and I

in October, <sup>c 23</sup> putting in  
 the latter part of our  
 time in France. How  
 I wish we might send  
 you some of the French  
 bread we shall enjoy  
 there!

We often talk of our  
 visit to Muir Woods and  
 to your home, and the  
 children always end by  
 smacking their lips  
 over the delicious peaches  
 that grow in front of your  
 house.
